UICONSULT -EGBC DIPLOMA IN Management and Spiritual Warfare (DMSW) / Certified Management Advisor (CMA) Programme

DMSW / CMA OVERVIEW

The Six Months Diploma in **Management and Spiritual Warfare (DMSW)** and **Certified Management Advisor (CMA)** Course has been designed as a robust programme for ministers and senior ministers of existing ministries and Church organisations seeking to develop and deepen their managerial capabilities and ministerial competences.

It is particularly suitable for actual or potential members of ministry management teams and for those currently engaged in the church leadership and management process.

Church leaders, administrators, overseers and market place leaders with considerable and significant experience in the ministry, not less than 5-10 years or more need to keep up to date with new ideas and to understand how other church ministries and organisations have dealt with challenging situations, uncertainties and risk and emerged stronger and better.

This programme will provide participating church leaders, managers and executives with in-depth analytical and problem solving and spiritual warfare skills that will provide them the confidence and the ability to handle effectively all the issues that confront their church ministries and organisations.
